FEE WAIVER REQUEST

In addition, we respectfully request that you waive all applicable fees for CEH's request pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and 21 C.F.R § 20.46(a). CEH is a non-profit, non-commercial organization that works to promote business products and practices that are safe for public health and the environment. CEH works in partnership with other effective organizations, public health experts, community groups, academics, and public officials to, among other things, educate consumers about products that contain harmful chemicals. Please visit <http://www.ceh.org/> for more information about CEH, its mission, and its achievements. The release of the requested information is in the public interest because it will significantly contribute to the public's understanding of potential exposures to dangerous chemicals in consumer products. See 21 C.F.R § 20.46(a)(1). Also, the requested information will not be used for any commercial interest. See 21 C.F.R § 20.46(a)(2). Accordingly, we request a waiver of any applicable fees for this request. However, if you decide not to waive any fees associated with the request, please contact me to provide an estimate of the fees prior to incurring them.
